Dear Patient,

Re: The Everglade Medical Practice relocation to Colindale Gardens, 160 Colindale Avenue, London, NW9 5HE.

The Everglade Medical Practice, currently operating within The Concourse, Grahame Park Health Centre, London NW9 5XT, is having to relocate to alternative premises due to plans to demolish the current building as part of the Grahame Park Estate regeneration scheme.The practice has been working with NHS North Central London (NCL) Integrated Care Board (ICB) to relocate to a new, purpose built medical centre at Colindale Gardens, 160 Colindale Avenue, London, NW9 5HE, which is a short distance from the current premises. It is anticipated that the practice will relocate to the new premises end of 2026.

The new proposed premises is about 0.5 miles from the Grahame Park Health Centre, approximately 12 minutes' walk, four minutes by car and is served by Colindale underground station and a number of bus routes including 125, 204 and 303 (see map below). The new premises is planned to include two blue badge bays and a drop off bay to the rear, as well as limited paid for parking.
