

A **GREENER** CONCOURSE FOR GRAHAME PARK

-  **Want a green space to enjoy and unwind in?**
-  **Fancy getting your hands dirty and learning how to grow your own vegetables, herbs and flowers?**

Good news! Groundwork London is working with Notting Hill Genesis and Barnet Homes to make the Grahame Park Concourse greener.

We'll be working with local residents, community organisations and businesses to design the new space. Then, our friendly community gardeners will run a programme of gardening, food growing and wellbeing sessions to help you get started.

Tell us what you think

Please fill in this short online questionnaire to tell us what you would like to see in a garden space. Reach the survey by typing this into your internet address bar:

www.concourse.groundwork.community

You can pick up a paper copy of the questionnaire with a prepaid return envelope from the One Stop Shop or The Loop. Please contact Asha for more information:
asha.tomlin-kent@groundwork.org.uk / 07889 756 837.
